

Multiple Intelligences: Recommended Materials and Activities

<i>Word Smart</i> Recommended Materials:	<i>Logic Smart</i> Recommended Materials:	<i>Picture Smart</i> Recommended Materials:	<i>Music Smart</i> Recommended Materials:	<i>Body Smart</i> Recommended Materials:	<i>Person Smart</i> Recommended Materials:	<i>Self Smart</i> Recommended Materials:	<i>Nature Smart</i> Recommended Materials:
Large book library	Manipulatives	Legos®/Blocks	Musical instruments	Audiocassette tapes	Art supplies	Books	Terrarium
Maps	Counters	Colored pencils/ Markers/Crayons/ Paint	Headphones	CD;s and CD player	Sports equipment	Puzzles	Aquarium
Magazines	Abacus			Bean bags	Musical instruments	Art supplies	Microscope
Pipe cleaner letters	Legos®/Blocks	Puppet theatre	Cassette/Record/ CD player	Large-motor equipment Dress-up clothes and other props for dramatic play	Puppet theatre	Cassettes/Cassette players	Ant farm
Chalkboard	Geo boards	Tongue depressors	Keyboard		Big books	Computer	Silk worms
Dry erase board	String art	Glitter	Music books	Manipulatives	Video recorders	Microscope	Seeds
Rice/Sand/Shaving Cream/Finger paint	Cuisenaire rods	Manipulatives	Video camera	Terrariums/ Aquariums	Seeds/Gardening tools	Reference material	Soil
Texture letters	Blocks	Clay	Kitchen utensils for making sound effects	Activities:	Computer	Writing materials	Bird/Squirrel feeders
Construction paper	Tangrams	Posters	Recordings of nature sounds	Dramatic play	Cooking supplies	Clay	Bird guides
Laminator	Play money	Puzzles	Toy microphones	Outdoor play	Activities:	Musical instruments	Gardening tools
Pencils/Pens/ Markers	Puzzles	Sand/Water	Posters of composers	Nature/Scavenger hunts	Team games	Tape recorder	Magnifying glasses
Overhead projector	Marbles/Beans	Activities:		Gardening	Sports activities	Activities:	Butterfly Nets
Letter puzzles	Geometric shapes	Dramatic play	Tape recorders/ Blank tapes	Outdoor art activities	Dramatic play	Personal bookmaking	Activities:
Activities:	Straw/String/Clay	Art projects	Activities:	Marching opportunities	Cooking activities	Listening activities	Nature walks
Dramatic play	Pattern Blocks	Creative movement experiences	Exploring sounds		Group art projects including mural making	Creating models	Tree rubbings
Storytelling	Activities:	Mime					Gardening
	Measure parts of						

Opportunities	body	Field trips	Listening to background music		Gardening	Individual musical activities	Collecting objects of nature
Bookmaking	Measure room	Sand and water play	Dance/Creative movement experiences		Creating group stories	Storytelling experiences	Rock painting
Collages	Cut out geometric shapes	Construction projects	Exploring vibrations		Music-making activities	Art projects	Observing and recording weather
Journal writing	Use string to lay out dinosaur shapes	Science experiments	Parades		Making class books		Investigating books about nature
	Create treasure maps	Diorama making	Aerobic activities				Identifying plants and insects and spiders
	Cooking experiences		Experiencing music from different cultures				Creating your own animal or insect
	Creating models with clay/blocks		Rhythm band activities				Videos/Books about nature and creatures
	Sorting/classifying manipulatives		Field trips to musical events				
			Inviting guest musicians to the classroom
